

# Curriculum Vitae

(September, 2016)

**Anna Małgorzata Bartczak**

## PERSONAL INFORMATION

---

place and date of birth                      Warsaw, 11.10.1973

## CONTACT INFORMATION

---

e-mail    [bartczak@wne.uw.edu.pl](mailto:bartczak@wne.uw.edu.pl)

address     Długa 44/50, 00-241 Warsaw, Poland

## EDUCATION

---

2016    **Habilitation in Economics**, Faculty of Economic Sciences,  
University of Warsaw

2002    **Ph.D. in Economics**, Faculty of Economic Sciences, University of  
Warsaw

2000    Postgraduate studies about Latin America, Institute of Americas  
and Europe, University of Warsaw

1997    **M.A. in Economics**, Faculty of Economic Sciences, University of  
Warsaw

## WORK EXPERIENCE

---

2008 –    **Head of Warsaw Ecological Economics Center**, Faculty of  
Economic Sciences, University of Warsaw

2015 –    **Senior lecturer**, Faculty of Economic Sciences, University of  
Warsaw

2003 – 2015                                    **Assistant professor**, Faculty of Economic Sciences, University of  
Warsaw

2010    **Visiting researcher**, Department of Resource Economics,  
University of Nevada, Reno, USA

2007 – 2008                                    **Visiting researcher** (postdoc fellowship), Institut National de la  
Recherche Agronomique INRA, Nancy, France

2007    **Visiting researcher**, Business School, University of Newcastle,  
United Kingdom

2007    **Visiting researcher**, Department of Economics & Resource  
Management, Norwegian University of Life Sciences, Aas,  
Norway

1997 – 2008                                    **Research assistant**, Warsaw Ecological Economics Center, Faculty  
of Economic Sciences, University of Warsaw

1997 – 2002                                    **Teaching assistant**, Faculty of Economic Sciences, University of  
Warsaw

1996 – 1997                      **Research and administrative assistant**, Harvard Institute for International Development, Central and Eastern Europe Environmental Economics and Policy Project

#### **POSITIONS OF TRUST**

---

2013 – 2016                      Member of the Senate Disciplinary Committee for Academic Teachers, University of Warsaw

2005 – 2008                      Member of scientific council of the Environmental Research Center, University of Warsaw

2009 – 2010                      Member of management committee of COST Action FP0804 *Forest Management Decision Support System*, FORSYS

2006 – 2010                      Member of management committee of COST E45 *European Forest Externalities*, EUROFOREX

2005 – 2006                      Secretary of Faculty Council, Faculty of Economic Sciences, University of Warsaw

#### **MEMBERSHIP OF PROFESSIONAL BODIES**

---

European Association of Environmental and Resource Economists (EAERE)

International Society for Ecological Economics (ISEE)

#### **AWARDS AND SCHOLARSHIPS**

---

2016                                  University of Warsaw Rector's award for outstanding scientific achievements

2015                                  University of Warsaw Rector's award for outstanding scientific achievements

2014                                  ERASMUS Scholarship, Business School, Newcastle University, Newcastle, United Kingdom,

2011                                  ERASMUS Scholarship, Business School, Newcastle University, Newcastle, United Kingdom,

2011                                  University of Warsaw Rector's award for outstanding scientific achievements

2009                                  University of Warsaw Rector's award for outstanding scientific achievements

2008                                  COST E45 Scholarship, Business School, Newcastle University, Newcastle, United Kingdom,

2007-2008                          Postdoc scholarship Institut National de la Recherche Agronomique, Nancy, France,

2007                                  COST E45 Schola Stypendium Fundacji Dekaban-Liddle, Glasgow University, Szkocja rship, Norwegian University of Life Sciences, Aas, Norway,

2004                                  Dekaban-Liddle Senior Fellowship, Glasgow University, United Kingdom

2000                                  Catholic University of Leuven fellowship, Leuven, Belgium

1999                                  Dekaban-Liddle Junior Fellowship, Glasgow University, United Kingdom

## **COURSES AND WORKSHOPS**

---

2014	<i>Sustainability Science in Central and Eastern Europe International</i> , UNESCO, Bratislava, Slovakia
2014	<i>Psychometric and econometric methods in educational research</i> , Educational Research Institute, Warsaw, Poland
2012	<i>Valuation Methods in Agro-food. Methodological and empirical challenges in Valuation Methods</i> , Castelldefels, Spain
2011	<i>Advances in Discrete Choice Models and Experimental Design for Stated Choice Data in Energy and Environmental Resources</i> UTS CenSoC Center for the Study of Choice, University of Technology, University of Padua, Padua, Italy
2010	<i>International Summer School: Advances in Discrete Choice Models and Experimental Design for Stated Choice</i> , EAERE, Fondazione Venezia, Venice, Italy
2010	<i>Belpasso International Summer School The Economics of Ecosystem Services and Biodiversity Conservation</i> , Universita Studi Catania, EAERE, Fondazione Eni Enrico Mattei, Belpasso, Italy
2010	<i>Nonmarket Valuation</i> , University of Nevada, Reno, USA
2009	<i>Benefit transfer</i> , COST E45, Oslo, Norway
2008	<i>Meta-Analysis in Economics and Business</i> , Nancy, France
2007	<i>Bayesian statistics applied to valuation methods and benefit transfer</i> , COST E45, Las Palmas de Gran Canaria, Spain
2007	<i>Stated preference methods</i> , COST E45, Umea, Sweden
2004	<i>Psychological foundations of the theory of choice in economics</i> , Madrid, Spain
2002	<i>Environment &amp; Regional Transport Planning</i> , Central European University CEU, Budapest, Hungary
2000	<i>Business &amp; Ecology</i> , Centralny Uniwersytet Europejski CEU, Budapest, Hungary
1999	<i>Natural Resource &amp; Environmental Economics</i> , University of Glasgow, United Kingdom

## **RESEARCH PROJECTS**

---

2014 – 2017	<i>Valuation, fairness aspects and preferences for renewable energy sources and their location in Poland and Germany</i> [2013/09/B/HS4/01493], Nacional Science Centre Poland; <u>project leader</u>
2014 – 2015	<i>Demand for an extension of curriculum in primary and secondary schools - study for nine counties in Poland</i> , Educational Research Institute
2013 – 2016	<i>Gender Equality at the University</i> , GENDEQU [196048], Norwegian Financial Mechanism, <u>WP leader</u>
2013 – 2014	<i>The development of corporate social responsibility in the context of some potential changes to the gambling market in Poland</i> , the LOTTO Million Dreams Foundation
2011 - 2014	<i>Impact of risk preferences on the valuation of the social benefits of forest fire prevention in Poland</i> [2011/01/B/HS4/04750], Nacional Science Centre Poland; <u>project leader</u>

- 2009 – 2013 *New Ways to Value and Market Forest Externalities*, NEWFOREX [243950], European Commission, 7<sup>th</sup> Framework Program; project leader (in Poland)
- 2009 - 2010 *COST Action FP0804 Forest Management Decision Support System*, FORSYS, European Cooperation in Science and Technology; member of management committee
- 2008 – 2011 *Forests as a Public Good: Valuing Social and Environmental Benefits of Forests in Poland to Improve Effectiveness of Management*, POLFOREX [PL0257], Norwegian Financial Mechanism; project coordinator
- 2008 – 2009 *Research seminar on the benefits of efficient multi-functional forest policy* [PNRF-149-All-1/07], Polish-Norwegian Scientific Research Fund; project coordinator
- 2007 – 2008 *Valuing Life Expectancy Gains From Air Pollution Reduction in the UK and Poland: A Qualitative Investigation And Validation*, The British Academy
- 2007 – 2008 *Benefit transfer of forest externalities*, Institut National de la Recherche Agronomique INRA
- 2007 *Review and analysis of the effectiveness of the current system of economic instruments for environmental protection operating in Poland and propositions of changes to ensure the realization of the objectives of the National Environmental Policy*, National Fund for Environmental Protection and Water Management
- 2006 - 2010 *COST E45 European Forest Externalities*, EUROFOREX, European Cooperation in Science and Technology; member of management committee
- 2006 – 2008 *Public Private Partnership as a way of providing public services in Poland at the local level. Chances and challenges*. [1HO2C02330], Committee for Scientific Research
- 2006 *Analysis and verification of financial resources planned for the years 2007-2014 to achieve the objectives and tasks arising from the National Environmental Policy*, The Ministry of the Environment
- 2005 – 2006 *The concept of valuation forests in Poland*, The General Directorate of the State Forest Enterprise; project leader
- 2004 – 2007 *New Energy Externalities Developments for Sustainability NEEDS* [502687], European Commission, 6<sup>th</sup> Framework Program
- 2003 – 2006 *Methods and Data on Environmental and Health Externalities: Harmonizing and Sharing of Operational Estimates*, METHODEX [505368], European Commission, 6<sup>th</sup> Framework Program
- 2003-2004 *National Program for Implementation of the Stockholm Convention Global Environment Facility (GEF)*, United Nations Industrial Development Organization (UNIDO); leader of Economic analysis of the implementation of the Stockholm Convention in Poland
- 2003 *European Catchments. Catchments Changes and their Impact on the Coast* EUROCAT [EVK1-CT-2000-00044], European Commission, 5<sup>th</sup> Framework Program

## **CONFERENCES**

---

- 2016 “The value of the social cost from the renewable energy development in Poland. Risk preferences impact on the valuation.”, 5<sup>th</sup>

---

	<i>International Ecosummit, Ecological Sustainability</i> , Elsevier, Montpellier, France
2016	“The impact of risk preferences and loss aversion on willingness to pay to avoid renewable energy externalities” <i>European Association of Environmental and Resource Economists 20th Annual Conference</i> , EAERE, Zurich, Switzerland
2016	“The impact of risk preferences and loss aversion on willingness to pay to avoid renewable energy externalities”, <i>23rd Ulvön Conference on Environmental Economics</i> , Centre for Environmental and Resource Economics, Umeå University and the Swedish University of Agricultural Sciences Ulvön, Sweden
2016	“Ecosystem services on forested lands: an experiment on the role of auction format and communication”, <i>Experiment for Environmental Policy Formulation</i> , University of Stirling Management School with Centre for Sustainable Practice and Living, Stirling, United Kingdom
2015	“Social benefits of improved education quality. An application of a non-market valuation technique to investigate a willingness to pay for an extension of schools curriculum in Poland” <i>XXIV Meeting of the Economics of Education Association</i> , EEA, Madrid, Spain
2014	“Forest littering”, ECOSERV, <i>Ecosystem services as a subject of transdisciplinary research</i> , Adam Mickiewicz University, Poznań, Poland
2014	“Wildfires in Poland: the impact of risk preferences and loss aversion on environmental choices” <i>16th Annual BIOECON Conference Resource Economics, Biodiversity Conservation and Development</i> University of Cambridge, VU University Amsterdam, the International Institute for Environment and Development (IIED), London, UK and Commonwealth Scientific and Industrial Research Organisation (CSIRO), Cambridge, United Kingdom
2014	“Wildfires in Poland: the impact of risk preferences and loss aversion on environmental choices” <i>5th World Congress of Environmental and Resource Economists</i> , WCERE, Istanbul, Turkey
2014	“Ecosystem services on forested lands: an experiment on the role of auction format and communication” <i>5th World Congress of Environmental and Resource Economists</i> , WCERE, Istanbul, Turkey*
2014	“The impact of latent risk preferences on valuing preservation of threatened lynx populations in Poland”, <i>5th World Congress of Environmental and Resource Economists</i> , WCERE, Istanbul, Turkey*
2014	“Ecosystem services on forested lands: an experiment on the role of auction format and communication”, <i>Scandinavian Society of Forest Economics (SSFE) Biennial Meeting</i> , Scandinavian Society of Forest Economics (SSFE), Uppsala, Sweden,
2013	“To whom should we pay for the biodiversity enhancement in private forests? An empirical study of attitudes towards payments for forest ecosystem services in Poland.” <i>A cross-disciplinary dialogue on sustainable development of regional resources</i> , Department of Architecture, University of Catania; European Land-use Institute ELI, Catania, Italy,

---

\* Paper presented by a co-author.

- 2013 “Externalities in natural resource management in the context of stakeholders interactions”, *Cambridge Business & Economics Conference*, Murray Edwards College, Cambridge, United Kingdom\*
- 2013 “The role of altruism in non-market valuation. An application to the Białowieża forest.” *International Choice Modelling Conference*, University of South Australia, Ehrenberg-Bass Institute for Marketing Science, Sydney, Australia
- 2013 “Providing preference-based support for forest ecosystem service management in Poland” *European Association of Environmental and Resource Economists 20th Annual Conference*, EAERE, Toulouse, France,\*
- 2013 “The role of altruism in non-market valuation. An application to the Białowieża forest.” *European Association of Environmental and Resource Economists 20th Annual Conference*, EAERE, Toulouse, France
- 2012 “The impact of individual risk preferences on valuing preservation of threatened species: an application to threatened lynx populations in Poland.” *14th Annual BIOECON Conference Resource Economics, Biodiversity Conservation and Development*, University of Cambridge, VU University Amsterdam, the International Institute for Environment and Development (IIED), London, UK and Commonwealth Scientific and Industrial Research Organisation (CSIRO), Cambridge, United Kingdom
- 2012 “The impact of individual risk preferences on valuing preservation of threatened species: an application to threatened lynx populations in Poland.” *European Association of Environmental and Resource Economists 19th Annual Conference EAERE*, Prague, The Czech Republic,
- 2012 “The impact of individual risk preferences on valuing preservation of threatened species: an application to threatened lynx populations in Poland.” *IV Workshop on Valuation Methods in Agro-food. Methodological and empirical challenges in Valuation Methods*, *European Association of Agricultural Economists, EAAE*, Castelldefels, Spain,
- 2011 “When to go to a forest? An analysis of the seasonal demand for forest visitation in Poland” *The Economics of Ecosystem Services and Biodiversity Conservation, Landscape Economics*, European Consortium on Landscape Economics, University of Padua, Venezia University, Padua, Italy,
- 2011 “Seasonal demand for recreation”, Conference: *Forests as a public good. Estimation of social and environmental benefits of forests in Poland in order to improve the efficiency of their management* University of Warsaw, Warsaw, Poland
- 2011 “Value of littering in forest”, POLFOREX Conference, Warsaw Ecological Economic Center and Forest Research Institute, Sękocin Stary, Poland
- 2011 “Value of recreation in forest”, POLFOREX Conference, Warsaw Ecological Economic Center and Forest Research Institute, Sękocin Stary, Poland
- 2010 “Forests as a public good. Estimation of social and environmental benefits of forests in Poland in order to improve the efficiency of their management”, *Conference Academic cooperation – research*, the Embassy of Norway, Warsaw, Poland

- 2009 “When to go to a forest? An analysis of the seasonal demand for forest visitation in Poland” *The Economics of Ecosystem Services and Biodiversity Conservation*, Universita Studi Catania, EAERE, Fondazione Eni Enrico Mattei, Belpasso, Italy,
- 2009 “Identifying various types of protesters in contingent valuation using latent class analysis” *17th Annual Conference of Environmental and Resource Economists*, EAERE and VU University Amsterdam, Holland,
- 2009 “Understanding Valuing Life Expectancy Gains from Air Pollution Reduction in the UK and Poland: A Qualitative Investigation And Validation” *Managing the Social Impacts of Change from a Risk Perspective Conference*, SCARR Social Contexts and Responses to Risk Network, Beijing Normal University, Beijing, China,
- 2008 “Can Poles afford for better quality of water? Price affordability analysis” *IV Congress of Polish water suppliers*, The commerce Chamber of Polish water suppliers, Warsaw, Poland \*
- 2008 “Valuing forest recreation on the national level in a transition economy: The case of Poland” *16th Annual Conference of the European Association of Environmental and Resource Economist*, EAERE, Goteborg, Sweden
- 2008 “Transferring non-timber benefits across space and time: Experiences to date, future potential” *The 2008 Biennial Meeting of the Scandinavian Society of Forest Economics. 50th Anniversary*, Scandinavian Society of Forest Economics, Lom Norway,
- 2006 “Forest non-market valuation studies in the Czech Republic, Hungary and Poland: a review” *Conference: Economic valuation of recreation functions of forest ecosystems*, Charles University, Prague, The Czech Republic,
- 2006 “Forest non-market valuation studies in the Czech Republic, Hungary and Poland: a review” *1st EUROFOREX workshop*, COST E45, Catania, Italy,
- 2006 “Perspectives of the water sector in Poland. Household water demand analysis.” *Conference: Services governance: regulation and public policies*, RESER, Lisbon, Portugal,
- 2006 “Demand for water in Polish cities. Panel analysis for the household sector.”, Faculty of Economic Sciences Conference, Cedzynia, Poland
- 2006 “Water quality valuation: an empirical evidence from CV surveys in the Czech Republic and Poland”, *3rd World Congress of Environmental and Resource Economists*, EAERE, AERE, Kyoto, Japon\*
- 2006 “Recreational value of forests in a transition economy”, *3rd World Congress of Environmental and Resource Economists*, EAERE, AERE, Kyoto, Japon
- 2005 “Social aspects of forests”, *Social aspects of forests*, University of Warsaw and the General Directorate of the State forest Enterprise, Warsaw, Poland
- 2004 “Financing of environmental investments”, Warsaw Oceanarium Foundation, Warsaw, Poland
- 2004 “Tolls on alternative roads” *The development of the transport sector in Poland and the protection of public health and environment*, Polish Lisbon Strategy Forum, Warsaw, Poland.
- 2001 “Value of private travel time in Poland”, Faculty of Economic Sciences Conference, Nowogród, Poland.

## SCIENTIFIC PROGRAM COMMITTEE FOR CONFERENCES

---

2016	European Association of Environmental and Resource Economists 22nd Annual Conference, EAERE, Zurich, Switzerland
2015	European Association of Environmental and Resource Economists 21st Annual Conference, EAERE, Helsinki, Finland
2014	5 <sup>th</sup> World Congress of Environmental and Resource Economists, WCERE, Istanbul, Turkey
2013	European Association of Environmental and Resource Economists 20th Annual Conference, EAERE, Toulouse, France,
2012	European Association of Environmental and Resource Economists 19th Annual Conference, EAERE, Prague, the Czech Republic
2009	Countries and forests in transition: Research seminar on the benefits of multi-functional forest policy, University of Warsaw, Econ Pöyry, Warsaw.
